

Birthday Parties:

We offer excellent birthday parties for children of all ages. An hour and a half of fun for everyone. We hold most of our birthday parties on the weekend, when it is more convenient for everyone. The cost is \$135 for up to 10 children (\$10 each additional). We play games, fun music and of course gymnastics! We also can cater fun parties for Girl Scouts, Boy Scouts, etc. You supply the food and drinks. We supply the decorations, balloons and fun.

It is customary to tip the party instructor 😊
